Dr. Jimmie Reed
Founder & Apostle
Global Manifestations

Dr. Jimmie Reed is the founder of Global Manifestations, located in Denver, Colorado. As a prophet, pastor, and overseer, she has ministered to thousands over the span of 28 years. Through her prophetic teachings, books, conferences, schools of the prophets, webinars, mentorship programs, and intercessions, Dr. Reed continues to minister globally and diligently fulfills her commission. She preaches, teaches, and operates in healing with power!

Dr. Reed fervently equips, activates, and imparts fresh revelation of God's supernatural life that He has predestined for His believers. As a Kingdom prophet, Dr. Reed states, "in prophesying, we will speak forth the mind of God under the inspiration of the Holy Spirit. It is the outflow of the heart and the very nature of God!"

Prophetically accurate and apostolic in vision, Dr. Reed is a sought-after conference speaker and seminar teacher who has been featured on programming such as the Daystar Television Network, LeSea Broadcasting Network, and the Trinity Broadcasting Network. Dr. Reed earned her undergraduate degree from Christian Life School of Theology and received her master's and doctorate degree in Practical Ministry from the Wagner Leadership Institute. She was ordained as a Prophet by Bishop Bill Hamon of Christian International Apostolic Network, Santa Rosa Beach, Florida and Apostle Dutch Sheets of Springs Harvest Fellowship, Colorado Springs, Colorado. Dr. Reed is currently the Prophetic Voice for Eagle's Rock Communion of Christian Leaders Global Network with Bishop Eugene Reeves presiding. She has authored several books for the edification of the body of Christ; her scribed works include *Now Is My Time*, *Weathering Transition*, *Becoming an Extraordinary Leader*, *Let Me In*, and *Who Me, Prophecy?* Dr. Reed has also penned insight in the anthologies, *God Met Me Here* and *Destiny: The Other Side of Through*.

A special ***“THANK YOU”*** to all Apostles, Prophets,
Evangelists, Pastors, Teachers, Bishops, hearers, and doers
of the Word that are in attendance with us today!

*The **Hubs** are the ecclesia rising with strength and strategies from the Lord to be poured out in the earth!*

A hub will consist of small groups of people gathering as one unit before the Lord.

The body of Christ has moved into a season of small gatherings that will make a great impact in the earth! The HUBs will meet in homes and/or via Live modern visual technology.

*Much of the curriculum that is being provided by **Global Manifestations is strong in prayer, such as apostolic intercession and prophetic intercession.** Participants will also be taught about hearing the voice of God by **seeing, sensing/feeling, words of knowledge, declarations, and decrees.** Other HUB conversations will address **Becoming Who You Are.***

These HUBS will mature participants in:

Believing in unseen realities according to Hebrews 11:1

Believing they can have access to hidden mysteries transcending ordinary human knowledge according to

Jeremiah 33:3

Believing they can actually know their God!
